Dear Friend of Olympic Coast National Marine Sanctuary:

We are in the process of filling two position on the Olympic Coast National Marine Sanctuary (OCNMS) Advisory Council, the Maritime Industry primary position and the Conservation alternate position. Applications for council membership will be accepted through **April 30, 2024**.

OCNMS Advisory Council was established in 1998 pursuant to Federal law to ensure public participation in the management of the sanctuary. Serving in a volunteer capacity, the Advisory Council's 15 voting members represent a variety of local user groups, as well as the general public. Six Federal government agencies serve as non-voting, ex-officio members. Since its establishment, the Advisory Council has played a vital role in advising OCNMS and NOAA on critical issues. In addition to providing advice on management issues facing OCNMS, council members serve as a communication bridge between constituents and sanctuary staff. Whether within a natural ecosystem or a human community, diversity creates strength and resilience. NOAA's Office of National Marine Sanctuaries values the remarkable diversity of knowledge, perspectives, and experience found throughout sanctuary communities, and invites a wide range of individuals to seek membership on our sanctuary advisory councils.

Enclosed is our advisory council application kit, which includes a copy of the council charter and an application form, as well as a short informational sheet about the sanctuary. Please note that if you have been a federally registered lobbyist in the two-year period before your potential appointment date to the council, you will not be eligible to serve as a member of a sanctuary advisory council. Please contact Chris Butler-Minor at 360-406-2079 if you have any questions about this restriction or council operations or visit http://olympiccoast.noaa.gov/involved/sac/sac_welcome.html

Please direct your application by **Tuesday, April 30, 2024** to OCNMS, Attention: Chris Butler-Minor, 115 East Railroad Ave., Suite 301, Port Angeles, WA 98362. Applications can also be e-mailed to Chris.ButlerMinor@noaa.gov.

Applications will be reviewed by a panel consisting of the Advisory Council Executive Committee and the Sanctuary Superintendent with a decision on representation by the Director of National Marine Sanctuaries. All applicants will be notified once the process is completed.

Thanks for your interest in serving as an OCNMS Advisory Council member.

Sincerely,

Kevin Grant
OCNMS Superintendent

Before applying for sanctuary advisory council membership, please review:

1. Sanctuary advisory council charter available online at <https://nmsolympiccoast.blob.core.windows.net/olympiccoast-prod/media/docs/202209-ocnms-ac-charter.pdf>;
2. Office of National Marine Sanctuaries (ONMS) *National Marine Sanctuary Advisory Council Implementation Handbook* available online at <https://nmssanctuaries.blob.core.windows.net/sanctuaries-prod/media/docs/2022-sanctuary-advisory-council-handbook.pdf> (or you may obtain a copy from your local sanctuary); and
3. Importance of Diversity Statement:
“Whether within a natural ecosystem or a human community, diversity creates strength and resilience. NOAA’s Office of National Marine Sanctuaries values the remarkable diversity of knowledge, perspectives, and experience found throughout sanctuary communities, and invites a wide range of individuals to seek membership on our sanctuary advisory councils. With a diverse membership, advisory councils can broaden access to understanding and participation in marine conservation and governance, foster innovation and creative problem solving, and can help advance the mission of the National Marine Sanctuary System.”

Sanctuary advisory councils advise and make recommendations to the Office of National Marine Sanctuaries on issues regarding the designation and management of national marine sanctuaries. The charter outlines the purposes and governs the operation of the sanctuary advisory council. The handbook provides broader operational requirements for sanctuary advisory councils. In applying for sanctuary advisory council membership, you are agreeing to abide by the terms of the charter and the handbook if you are selected as a council member or alternate.

For those applicants who are considered for selection, the Office of National Marine Sanctuaries will conduct a LEXIS/NEXIS check and a departmental bureau check for potential criminal, political exposure, judgment/lien, adverse media, NOAA enforcement action, and conflict of interest issues. Additional information and guidance regarding the use of the information you submit on this form and its availability under federal law can be found at the end of this form. Please review this information.

For the positions listed in this application, sanctuary advisory council members and alternates must be 18 years of age or older.

Please note, under 18 U.S.C. § 205, federal government employees are not allowed to participate on sanctuary advisory councils in their personal capacities. Federal government employees may be appointed or selected by their affiliated agencies to represent their affiliated agencies in their professional capacities when an advisory council charter includes seats for their affiliated agencies. Special restrictions apply to applicants who are military reservists but are not otherwise employed by the federal government; for additional information, please contact Chris.ButlerMinor@noaa.gov.

State employees and members of a state legislature are allowed to apply to sit on sanctuary advisory councils in a personal capacity. State agency employees must provide a letter of support on official agency letterhead from their state supervisor at the time they submit their applications but members of a state legislature and public university or college employees are not required to provide such letters of support. Members of state legislatures are not required to provide such letters of support. State agency employees, members of a state legislature, and local government employees should contact their respective officials to ensure that their state, local government, or employer does not have additional or conflicting laws, regulations, or policies about applying for a position on a federal advisory council.

Please indicate which advertised seat(s) (e.g., Research, Education) and position(s) (i.e., council member or alternate) you are applying for, provide your contact information, and respond to the questions below. The Office of National Marine Sanctuaries may consider applicants for seats and positions for which they have not applied if the Office of National Marine Sanctuaries believes they are qualified for that seat and are willing to serve in it.

The application deadline is April 30, 2024. Please return all pages of your completed sanctuary advisory council application form, and any attached statements or documents, to Chris.ButlerMinor@noaa.gov.
